

## SCHOLAR GREEN PRIMARY SCHOOL

### FUNDING FOR PRIMARY SCHOOL PE and SPORTS 2023-24

The government is providing an extra £320 million of annual funding for the academic years of 2024-25. The aim of this funding is to improve the Physical Education (PE) and Sports programmes offered by primary schools, and is provided jointly by various governmental departments, including Education, Health and Culture, and Media and Sport. Although the funding will be allocated to primary school head teachers, it will be 'ring fenced' – this means that it can only be spent specifically on PE and sport in schools.

Purpose of funding Schools must spend the additional funding on improving their provision of PE and sport, though how they do this remains their decision.

This is how Scholar Green Primary School has used the funding in 2023-2024:

- Paying for qualified sports coaches to provide extra-curricular school clubs to develop skills in specific sports so that parental economic factors do not impact upon participation.
- Paying for professional development opportunities for teachers in PE and sport
- Increasing pupils participation in inter and intra school sports competitions
- Buying quality assured professional development modules or materials for PE and sport
- Purchasing quality resources to support the delivery of school sports clubs and P.E lessons

For the academic year 2023-24, Scholar Green Primary School was allocated £17720 of sports funding. Below you will find a full breakdown of how the sports funding has been allocated and the impact of this.

In the academic year 2023-24, 97% of pupils had passed the National Curriculum Swim Award by the end of Year 6. In the academic year 2023-24, a swimming pool was hired to provide swimming lessons on the school site during the school day and then after school swimming lessons to pupils in receipt of pupil premium, vulnerable pupils or pupils in Key Stage 2 that were still non-swimmers. In addition, all Key Stage 1 and Nursery 2 pupils benefitted from the onsite swimming pool, funded via school budget.

Objective	Action	Cost	Impact
To increase the regular engagement of all pupils in regular sporting activity.	Appointing sports leaders to organise resources each day and initiate play opportunities. Purchasing Sports Captain and team uniform to encourage active play during breaktimes and lunchtimes.  LK running lunchtime and after schools every day	£175.88	Behaviour incidents have reduced during lunchtime.  Social groupings are developing.

	Purchase of lunchtime equipment to encourage children to take part in 30 minutes extra active minutes a day.	£500	
Increase confidence, knowledge and skills of all staff in delivering P.E.	Employing specialist PE teachers or qualified coaches to work alongside teachers in lessons to increase their subject knowledge and confidence in PE  Cheshire Cricket Board  Membership to the AFPE for regular research and advice on delivering P.E	£11504  £620  £105 – AfPE membership	Pupils have been taught high quality PE and given opportunities beyond the classroom to be physically active for 30 extra minutes a day.  Pupils have then been taught high quality cricket lessons by a member of school staff.  Up to date pedagogy and adaptations to school curriculum based upon research.
Further develop the links within the local School Sports Partnership including SGO support.  To improve the P.E experience for all young people.  To increase physical activity opportunities for young people.	Meeting with the SSCO to discuss priorities for the year.  Enrolment in sporting opportunities throughout the year  - Bubble Footie - Fitness Rebound  Entrances made to inter school sports competitions.	£790  £375	Development of intra and inter school competitions has provided children access to experiences they may not have otherwise been able to with 100% of children participating in intra school sport competitions and 72% of KS2 competing in inter school sport competitions.  Through the Sports Partnership we have maintained School Games PLATINUM Kitemark in 2023-24.
To enable young people to enjoy a range of school sport outside of the curriculum	Increased the number of after school clubs available for pupils to participate in.
